

Dodge County Farmers for Healthy Soil – Healthy Water

Cover Crop Showcase

Wednesday, September 19th, 2018

Location – N4426 Lake View Road Hustisford, WI 53034

Program Times – 10am-12pm: Producers, Agency Staff, and Ag Professionals

5-6pm: Lake Association Members and General Public

Event Overview

Come join the Farmers for Healthy Soil – Healthy Water for a showcase of a variety of cover crop mixes and their benefits. Dr. Jamie Patton, Northeast Regional Outreach Specialist for Nutrient and Pest Management for UW-Madison and Extension, will use a soil pit to discuss and demonstrate cover crop root systems, microbiological activity, and soil health.

Program is free to attend!

Pre-registration required at www.dodgecountymillers.com

Pre-registration deadline is Thursday, September 13th.

For questions or more information please call Dodge County UW-Extension (920) 386-3790
