

DODGE COUNTY LAND USE PERMITS

The first step in your project

LAND USE PERMITTING

Land Use Code

- Requires Land Use Permit to ensure compliance to Land Use Code
- Requires Building Permit that is administered by each town.

In a Shoreland Area, you must follow Land Use Permitting:

- If you are within 1000' of a lake, pond, or flowage.
- If you are within 300' of a river or stream.

[Dodge County Land Use Code](#)

Dodge County follows Wisconsin State Statute 59.692 and NR 115.
